WHITEHURST**

*Senior
Tallahassee, Florida*

*Doubles Record: 37-27
Singles Record: 28-17*

*Made it to the semifinals
of 2 summer ITA circuit
events this summer*

Terrance and Terrell Whitehurst were born and raised in Tallahassee, Florida. They grew up learning the game of tennis by the coaches in the Seminole High Performance Tennis Program. Terrance and Terrell spent roughly 10 years in the program honing their skills day in and day out. These long hours spent on the courts allowed for each of them to transition their games to the next level. Both Terrance and Terrell signed National Letters of Intent to play Division 1 tennis at Florida State University in their own backyard. Throughout their four years at FSU, they became a fearsome doubles team as well as excellent singles players in the lineup. Terrance and Terrell finished their careers ranked within the Top 5 of FSU's highest doubles win list. They are currently looking to finish their undergraduate degrees to pursue careers in the technology world.
